
CAMPAIGN OVERVIEW

\$100M Founding Campaign | One Page

FOR CIVILIZATION | 12 MONTHS | 50 COLLEGES

THE \$100M FOUNDING CAMPAIGN

The University of Artemis is a new kind of university: residential, tutorial-based, research-active, and globally distributed across 50 Colleges on 6 continents. Annual tuition of \$3,000 makes it accessible to 90% of qualified students worldwide. The founding campaign of \$100M seeds the permanent physical infrastructure that makes the model self-sustaining from Year 1.
